Attached is the federal ID number. I have filed the articles of organization through the State of Michigan. I will be sending the operating agreement through DocuSign. We will need that to open the bank account.

I can set up the QuickBooks file and manage the accounting - @ Candice – I use QuickBooks desktop but can look to see about the costs for an online account. Otherwise, I can send you the file regularly so you are able to see everything. I have extra licenses with QB desktop but will likely incur charges for QB online. Any options on your side since you also use QB's?

@ All – please keep all receipts and records. Once we have the bank account set up, I will handle the monthly bank reconciliations so I will need the backup in order to reconcile.

Some of this will be fluid and change as we go but starting here and we can dial in. Looking forward to the next steps!

Sarah
